Litter Registration Application

To register a litter with the Working White English Bulldog Association, both the Sire and Dam of the litter must be registered first. If the Sire and/or Dam are not registered with the Working White English Bulldog Association, please send their single registration application(s), photo(s) and appropriate fees with this litter application.

The initial registered name for each puppy will be the name or number you've requested, with the dam's owner's last name added as the suffix. Example: "Puppy #1 of Jones" or "Rocko of Jones". If you prefer a suffix other than the dam's owner's last name, please include your desired kennel name. Example: "Puppy #1 of Smith's White English" or "Rocko of Smith's White English". The Working White English Bulldog Association Registrar will use this name if provided, otherwise defaulting to the dam's owner's last name.
