Single Dog Registration Application

To register a dog with the Working White English Bulldog Association, you need to provide a three (3) generation pedigree and clear photos showing the front, side and rear of the dog you wish to register. If you do not know the dogs ancestors, please use the "Heritage Dog Registration Application" instead of this application. Photos may be emailed to registrar. If you choose this option, you MUST include your complete information. Photos will be held until this signed/dated form and appropriate fees are received via the US Postal Service.

(Print Clearly) Breeder's Information

If unknown, please give the information of the person(s) who you acquired the dog from.

** Upon approval, the dog will receive the requested name, with the owner's last name added as the prefix and the breeder's last name/kennel name (if known) added as the suffix. Example: "Clark's Rocko of Smith's White English". In doing this, the Working White English Bulldog Association will be able to ensure that a complete and thorough database of the White English exists.
